Welcome to Lili & Friends Preschool!
A Bilingual In-Home Preschool & Childcare Program

Dear Families,

Welcome to Lili & Friends, where we believe every child deserves a joyful, nurturing, and enriching start to their learning journey. We're so grateful you've chosen to be part of our preschool family!

Lili & Friends is a small, bilingual in-home program designed to provide personalized care, a loving environment, and a strong foundation for early childhood development. Our cozy group size of just six children allows each child to feel seen, safe, and supported just like family.

We focus on preparing your child for kindergarten through hands-on learning, phonics and vowel sounds, sight word introduction, language enrichment, and social-emotional development. Our goal is to help your child grow confident, curious, and ready for the next big step!

We also understand that families have different schedules and needs. That's why we offer more than just preschool! In addition to our Kinder Ready program, we also provide:

- Drop-In Childcare (Ages 3–5)
- Overnight Care (Ages 4–8) for working parents or emergencies
- Parents Night Out Events (Ages 3–8) – a fun night for your kids, and a well-deserved break for you!

As a Spanish-speaking bilingual provider, I'm proud to offer a welcoming space for families from all backgrounds. You'll find open communication, cultural inclusion, and heart-led teaching in every part of our program.

We're excited to begin this journey with you and can't wait to watch your child grow, explore, and thrive here at Lili & Friends.

With warmth and gratitude,
Cindy Irizarry

Illness Policy

At Lili & Friends, the health and safety of every child and family is our highest priority. To help maintain a healthy environment, we do not provide care for sick children. Please be respectful of the well-being of others and keep your child home if they are showing signs of illness.

The absence of a fever does not mean your child is well enough to attend. If your child is feeling unwell, unable to eat, play, or participate in daily activities including outdoor time they should remain at home.

When to Keep Your Child Home or Expect a Call for Pickup

Children showing any of the following symptoms must remain at home or will be sent home immediately:

- Fever of 100°F or higher (or 99°F for children under 4 months)

- Runny nose with green discharge, persistent cough, or cold symptoms
- Vomiting, diarrhea, or severe nausea (within a 24-hour period)
- Unexplained rash or open patches of skin
- Hand, Foot, and Mouth Disease (HFM) – Must stay home 7–10 days from diagnosis; return only if all blisters are scabbed over, no mouth sores, no fever, and child can fully participate in all activities
- Chickenpox – Until all lesions have dried or crusted over (typically 7 days from onset)
- Head lice or nits
- Scabies
- Pink eye or yellow/white eye discharge
- Ear discharge
- Impetigo or mouth sores with excessive drooling
- Flu – Must stay home 7–10 days after a positive test and until child is symptom-free

Communicable Diseases

Children diagnosed with communicable diseases may not attend care until a physician provides a written statement confirming the child is no longer contagious. This includes, but is not limited to:

- Chickenpox
- Measles
- Mumps
- German Measles (Rubella)
- Infectious Hepatitis
- Meningitis
- Scarlet Fever
- H1N1 (Swine Flu)

Parents must notify the provider within 24 hours of a diagnosis of a communicable illness in their household. Failure to do so may result in immediate termination of care.

Returning to Care

Children must be symptom-free for at least 24 hours (without the aid of medication) before returning. The provider may require a doctor's note, but even with one, reserves the right to determine if the child is well enough to return.

Additional Policies:

Discrimination is prohibited in my daycare. I will not discriminate based on race, color, sex, sexual orientation, handicap or national origin or ancestry in accepting children or when hiring employees.

Please be aware that I am a mandatory reporter of child abuse and neglect. This means that if a child in my care has been abused or neglected, or that child has been threatened with abuse, I will immediately inform the county social or human services department and/or local law enforcement.

GUIDANCE AND DISCIPLINE:

1. Only positive guidance techniques which teach children respect for themselves, for others, and for their environment will be used in my program. It provides children the direction and tools necessary for developing the having positive social experiences with peers and adults.
2. Guidance practices will include:
 - a. Redirecting the child to acceptable activities
 - b. Using simple, positive reminders to restate rules.
 - c. Ignoring inappropriate activities when applicable.
 - d. Using logical and natural consequences to help children be responsible for their actions.
 - e. Encouraging problem solving skills in children.
 - f. Helping children to identify feelings and learn acceptable ways to deal with these feelings.
 - g. Modeling appropriate behaviors.
3. Inappropriate techniques that may NOT be used in our programs include:
 - a. Spanking, pinching, shaking, biting, our any other form of physical punishment.
 - b. Isolation away from adult sight/contact.
 - c. Confinement in closets, boxes, or other similar places.
 - d. Binding to restrain movement of mouth or limb.
 - e. Humiliation or verbal abuse.
 - f. Deprivation of meals, snacks, outdoor play opportunities, or other program components.
4. A child may not be punished for lapses in toilet training. Food may not be used as a punishment or a reward.

RULES

The following rules are reinforced for the safety and well-being of everyone. There is no running in the house. There is no hitting, pushing, biting, grabbing, kicking, pinching the other children. Obscene

language is not allowed. Respectful treatment of other children and all property, toys, and furniture is expected. Willful destruction of property will be charged to the parent at the cost to replace the item. Children are NOT allowed to bring personal toys from home as it causes arguments and disruptions between the other children.

Weather- Related And Other Unanticipated Closings

I reserve the right to close my childcare early or for the day without notice in the event of unanticipated situations such as, but not limited to, power outages, no water, widespread illness, and/or extreme weather conditions. Extreme weather conditions include, but are not limited to tornado, hurricanes, blizzard, floods, and/or earthquake.

These closings will be with pay. I follow Berkeley County School District Policy. This includes, but is not limited to, late openings and early dismissals. If you notice that the Berkeley County schools because of the weather or any state emergencies have closed so am I. (Weather) I will be calling you if an early dismissal is needed due to bad weather closure. I will be following the travel advisories, or the state offices have closures. My paramount concern is the safety of the children. If I deem it unsafe for children to stay in my home and/or parents to get to my home, I will close my childcare.

ARRIVAL AND DEPARTURE

Children are to arrive clean and fed. Class will start at 8:45am. Children may not be dropped off after 10 AM unless previously coordinated on a case-by-case bases. It is normal for children to be hesitant and sometimes even cry when dropping them off. Please be very brief (no more than 5 minutes is sufficient) during drop off times; the longer you prolong the departure the harder it gets. A smile, cheerful good-bye kiss, and a reassuring word that you will be back is all you need to do. Please be very brief at pick up times also. This is a time of testing when two different authority figures are present (the parent and the provider) and all the children will test to see if the rules still apply. It is important that you back up my rules at this time, but if you do not, I will remind your child of inappropriate behaviors being displayed and take action to correct them if needed. Please be in control of your child during pick up times!

Do not allow your child to run out to your car while you are still inside or while you are in my backyard. The safety rule is "No one goes outside without their parent with them." Drop-off and pickup times are not the times to discuss problems. Parental communication is vital; it is the key to a successful childcare arrangement. If there are any problems or concerns, please call me.

When picking children up at the end of the day, parents are asked to always come to the front door unless there is a note on the door saying we are ALL out back, then you may go around to the backyard.

ABSENCE POLICY

I kindly ask that you notify me as soon as possible if your child will be absent on a scheduled day.

Advance notice allows me to plan meals, activities, and daily routines more effectively.

If you inform me that your child will not be attending, I may open that spot for another child. Should you later decide that your child will attend after all, please provide at least 48 hours' notice, and their return will be based on space availability.

Please note that tuition remains due for all contracted days, regardless of attendance.

Early communication also helps me make adjustments to our daily schedule. For example, with a smaller group, I may plan special activities like a field trip or focused enrichment time. Thank you for your understanding and cooperation it truly helps everything run smoothly!

TOYS

Please do not let your child(ren) bring their toys from home. When a new toy comes into childcare & all the children want a turn with the toy, it's extremely hard to share with all the other children no matter how good a child is at sharing.

NAPS

Please bring a blanket and a small pillow on your first day of the week. On Friday blankets and pillows will go back with your child for wash & clean. If your child no longer naps, he/she must remain lay down and remain quiet for the other children. I also ask that parents do not bring children in or pick them up during this period as it has proven to be very disruptive to the other children. (NO NAPS available for this program 8:30 AM-12:30 PM)

POTTY- TRAINED

Needs to be fully potty trained if the child is three and up. Dressing your child in one-piece outfit such as overalls or using pants with difficult snaps will cause frustration. Please take this into consideration each morning during the potty process. Be sure you provide me with extra outfits in the case of accidents.

CLOTHING

Please dress your child in comfortable, seasonally appropriate clothing that is suitable for both indoor and outdoor play. Please note that I provide children with activities designed to advance learning, some of which may be messy! I will do my best to cover your child's clothing during these activities, but there may be times when clothing becomes dirty. Please keep this in mind and dress your child in clothing appropriate for these experiences. I'm not responsible for lost or damaged clothing. Complete change of clothing (including socks) appropriate for the weather to be kept at the home childcare. Soiled clothing will be sent home and a clean change of clothes should be brought back the next day. Good clothing is not recommended. Parents will be required to bring bathing suits to be kept at daycare in the summer. Appropriate hats, mittens, boots must be brought to daycare to be kept here or as requested. All items need to be labeled with your child's initials. Parents must maintain these items always. Failure to do so is grounds for termination.

BACKPACKS

Your child will **bring a backpack** to school on Monday, and it will go home on Friday. I will send home weekly papers, jackets, Clothing, blanket and other personal belongings. Jackets & blanket need to be washed and can be returned to school on Monday in the backpack.

BIRTHDAYS/PARTIES

Parents will be asked to bring a special food treat for their child's "special birthday." Gifts are not expected and will be put out of sight, if brought, for the birthday child to take home with him/her at the end of the day

I will have holiday parties several times throughout the year. Signup sheets will be posted for your assistance with these days as needed on a voluntary basis or it can be posted on our private Facebook group.

MEALS & Snacks

Because our short-day schedule runs from 8:30 AM to 12:30 PM, a full lunch will not be served. However, we will take snack breaks during the day. Please ensure your child eats a full breakfast at home before arriving, as I do not provide breakfast or meals.

All families are responsible for sending healthy, ready-to-eat snacks from home. For Drop-In Care, the same snack policy applies.

For Overnight Care, please have your child eat dinner at home before drop-off. You may pack a breakfast, which I will gladly serve in the morning.

Important Reminders:

- All food items (lunchboxes, containers, bottles, etc.) must be clearly labeled with your child's name.
- Food must arrive prepared and ready to eat I do not cook or heat meals.
- Parents are responsible for feeding their child if they will arrive after a scheduled mealtime.

Thank you for helping ensure a smooth and nourishing day for all children!

Additional Requirements: *(provider lists any additional items families need to provide)*

You are responsible for the following additional items your child will need to bring each day:

- Backpack
- Lunch & Snacks (ready-to-eat, packed from home)
- Blanket (for rest or comfort)
- Extra Outfit (season-appropriate and labeled)
- Crocs or easy-on shoes for indoor wear
